Masato-kun as a working member of society

Becoming similar bit by bit.

I've never felt that being alone was lonely

I don't remember a time when I liked someone or when I felt someone like me

I'M USED TO PROFESSOR HIRATA AND HIS LACK OF COMPUTER KNOWLEDGE, AND NO WORKERS

I don't have time to be thinking about others

I'M SORRY FOR HAVING YOU LOOK AT IT ALL THE TIME, MISS-SAKA

Since this is so exhausted
